

**IAP2 BC and Yukon Chapter
President's Report, November 20, 2025
Current President: Jennifer Miller**

This year marks my fourth year volunteering on the BC and Yukon Chapter Board, and my second year in the President's role. It has been rewarding to help coordinate and lead the Board. We are a collaborative group that is 100% volunteer-run. Thank you to all Board members for your many contributions in 2025.

The Board continues to have a healthy mix of continuing members and new additions. We have also continued to organize ourselves through working groups, with a direct connection to the three pillars of our [2024-2029 Chapter Strategic Plan](#).

We were ambitious in 2025 with four working groups, each with three Board members:

- Opportunities for members to connect
- Opportunities for members to learn
- Advance thought leadership
- [Let's Connect platform](#) launch and website updates

Working groups both built on the success of previous years' initiatives and introduced new approaches. Our Lunch and Learn series continues to be well attended, and an in-person social connected with in-person training was very successful. A virtual social was another new offering that led to meaningful connections.

We also had a strong response to our call for Board nominations this year, and moving into 2026 all Board positions will be filled. For members interested in volunteering, there are other ways to get involved too! You can host a social event in your area, put your name forward for the Nominations Committee, or even join a working group alongside our Board members. Watch for opportunities in our member emails.

The Board would love to hear feedback from members and suggestions for how we can serve you better! Share your thoughts with us [here](#).
